*I want to thank Dave for being my hero. I would have NEVER been able to retire and celebrate teaching 42 years at Holly high school if it was NOT for the brave men and women who served our military and preserved my freedom to teach and to live in this great nation rather than under the cruelty of a tyrant. My deepest thanks to Mr. Warwick, my prayers to his surviving family members and may you each find happiness as you each celebrate the joy of his life. Blessing to each of you. John Church*
