“ There isn't a memory of any of my major life events that doesn't have Diana & Joe. The amount of unconditional love and support she gave me over the years, meant more than I can convey. Her humor, friendship with my family, kind advice and an overall grace goes unmatched. She was always so thoughtful, kind, loving and my heart cracks a little more for all the people who loved her so. As much as we loved her, she loved just as much in return, the only solace. My heart cracks for her family, all who loved her. She was a beautiful person and the world is a little dimmer without her light. Thank you Diana...for everything. All my love.

“ *Nobody could ask for better best friend. We share all the good and bad. Knowing when one needed each other without even a call. My heart is broken to loose her but God received one of the best. My thoughts and prayers go out to Joe, Kelly and Doug and family. I know she will be missed by all. I love you, Bestie. Till we meet again. Give Todd a big hug from me. ☐ 🙏🙏🙏*
