“ I miss you Aunt Diane. I tried to tell, show and express to you how much you have meant to me all of my life. I hope I did a good job and that you were proud of me. Your love was so precious to me I would not be "Me" without that love from you. You were the only one who believed in me when I really needed someone to and for that I am grateful. Thanks for all you did for Jordan as well. She is the person who she is today because of that love for her from you as well. You have brought so much joy to our lives. Our memories will always be with me and I will try to live each day as you would wanted me to. Faith and Love from God above and all those angels I love.

“ Even though we never met Diane we have the privilege of knowing her niece Brenda and Brenda's daughter Jordin and know the impact that their Aunt Diane has made on their lives from Brenda's stories. We can tell that she was an amazing woman that we would have loved to know too. We are so sorry for your loss and know that you will miss her.
