“ *Being the lifeguard at the Hartland Aquatics Center, my job is to pay attention to everyone. Don was truly a bright spot in my day. He always came on the pool deck with a smile and something funny to say, and sometimes a few donuts. I would walk him out to the exercise area and he would pick up all of the noodles that the young children would leave about. I have missed him terribly this last year and now will miss him forever. Love You Don. Beverly*
