“ I've known Don for 60 years. Met him when I started to date his sister Beverly in 1958. He became my Brother-in-Law a couple of years later when Beverly and I were married. Don worked for Hamady's on Dort Hwy for many years eventually becoming a Manager. Don and Barb honored me by bringing Mom Standridge, with them, to my house in Tennessee when they got married. I was their Best Man. Don was an accomplished carpenter who could build almost anything you wanted in your house, a talent that all of his kids can attest to. Don was as honest and fair square as anyone that I've known over these years. I always enjoyed staying at Barb and Don's house when I was visiting.
RIP Brother!!
