“ Don took me under his wing and treated me like a little brother. He introduced me to ice fishing and was sitting beside me when I speared my first pike. He took me pheasant hunting behind Ken and Lola's and numerous other "secret" haunts. He netted my first trout and was standing on the bank of the Manistee river, laughing, as I hooked and lost my first Steelhead. He has given me advice on everything from hunting and fishing to cars, dogs and girls. Advice I have been able to pass along to my son. He had such a tremendous influence on my life and regret that I never told him that. I hope he knew.

“ My brothers and I spent a lot of time fishing and hunting with Don. Mostly in the late 70's and early 80's. Don always had a new place to try. Or he had a tried and true place that he wanted to share. He introduced me to pan fishing with crickets on small ponds and small mouth bass fishing with tube lures on Manistee lake. Together we discovered fishing hot spots on Bay De Noc in the U.P. I have indelible memories of us woodcock hunting in Pontiac, Holly and Groveland.
Don was the motivator, When it was time to get outdoors he got you going, Don ignored any complaints or resistance you may have. Even though we have not spent time together recently, I will miss him!

“ Nanci and I are so saddened by my cousin Donnie's passing. We wish we could be there, unfortunately we will not be able to attend the services. Donnie was a great nephew to my mom and dad. He was always extra special to them because he had been the ringbearer in their wedding in 1953. I always looked up to him when I was growing up and even though we didn't see each other much I will truly miss him.
