“ *My Husband and I bought the brick home that she lived in on Fish Lake Rd., wish we would have never sold and eventually moved up to Montrose. Loved the house, raised our kids there when they were 5-18. Had lots of fun family times there. She knew so much about birds when I went to look at the house. She was so sweet. Always wondered where she moved. Sorry for all of the family's loss. God bless'*

Anita & Neil, sorry to hear of your loss. Wish I would have known sooner so that I could have come to the visitation. We lost my father in January, so I understand what you are feeling. You will be in my thoughts & prayers.
