“ *I haven't had an opportunity to meet Doris, but am a friend of Barb and Dan in Minneapolis. I know how devoted they were to her and know that she raised a person of quality and integrity in Barb. I'm sure she'll be greatly missed, but am certain that she will live on in her daughters. My condolences to Barb, Dan, family and friends.*

“ *Doris was a great friend of my parents, but as us kids got older both Ken and Doris became special people we wanted to go visit when they lived up north. You were always a part of their family and you were always welcomed. Doris always had a smile on her face and love to share. She is going to be missed. Special blessing to Barb, Judy and all your family. I will always remember the special times when we would come visit you in Detroit. I loved those memories. Love to you all, Jean Sparks-Nellis and husband Dan.*
