HS

Dorothy was a neighbor to the Hadley House Museum. We will miss her. We always loved her Christmas decorations.

Holly Historical Society - November 15, 2012 at 03:43 PM

JK

Dorothy was a great friend I will miss her alot. When she would come into the bank we would have a great time talking to each other and talk about what type of craft projects we were working on now. Sorry that this is so late but I just was told about her passing. May God Richly Bless your Family through this time of need.

*Love
Janet
