“ *My grandma was truly an amazing woman, and her loss is felt by so many.*

I have so many memories of her growing up as a child. From spending the night making popcorn and watching movies to walking to the dime store and soda shop drinking homemade cherry cokes in downtown holly soda shop. It was a very simple life, but very special to me the time we shared together. She was a very caring, compassionate, and very loving grandma. Words cannot explain her. She was truly one of a kind.

As sad as I am today, it gives me great comfort knowing my grandma devoted her life to Christ and Jesus and I know my grandmother went straight to heaven to be with all her loved ones.

Without my grandmother in my life I would not be the person I am today! I am very grateful and honored that I am her granddaughter! She will be dearly missed! I love you grandma! Until we meet again R.I.P.

“ *Many things come to mind..Aunt Dorothy was one of a kind. She was always so good to me. She would kiss both sides of my cheeks and say "You're a piece of Jack &Dean." Never forgot my birthday or anyone's I think. How she and my mom were always trading stuff from purses,curtains,furniture, bed spreads,curtains..like dump their purse on the table and trade right there! Lol. Walking downtown to the dime store. She and Uncle Philip would stop in Kmart and bring prizes..then she'd hug me and slip me a 5 or 10 and say buy yourself some lunch or put gas in your car.. I am honored to call her my Aunt. Rest now Aunt Dot ❤️*
