We met in the hospital this past week. You so kindly said a prayer with me on Sunday morning when I was super sad about my Dad. You have been on my mind ever since we spoke and I hoped and prayed for your miracle. I'm so sorry for your loss. My Mom sends her love and comfort too.

“ *Dear Diane & Stephen, Words can not describe how sorry I am for your loss. Doug always made me & everyone else in the room smile/ laugh & have a great time. His smile was definitely contagious. He was a great host too- I loved listening to his life stories as we sat around him & his grill, or riding on the pontoon for a evening cruise. The kids always look forward to that swim in the middle of the lake. I remember fun times camping in Ohio with a bunch of high schoolers so both of our kids & all their friends could go to Cedar Point. By the end of our trip- I think us adults outlasted the kids. Our love & prayers are with you both. Love Karen & Brian Baird.*
