Just thought of Earl and thought I would check. We live in Franklin Tn now and we met Earl when i was working as an electrical engineer for G.M in Muncie Indiana. I'm from Ortonville Michigan and knew he lived in Hadley at one upon a time. I enjoyed his humor and great conversations. He will be missed for sure. RIP Earl and God bless his family and friends.

“Buzzy” was the oldest of our Oxford group of about a dozen kids that played together of every age. I so remember Buzzy using a clothes tree as a microphone singing Blue Swuade Shoes along with the record playing in our basement. He continued to visit our family into young adulthood after we moved. Great thoughts continue and the best to the Bosley family at this time.

“ *As a teenager always hanging out at the Bosley home on Oxford in Berkley, Buz would stop by frequently to see his parents so he was very much a staple of our young impressionable lives.*

What I remember most about Buz is he always took an interest in us. He always asked how we were, what we were up to, and, despite the 22 year age difference, he made us feel like we mattered and that we were relevant.

He always had a smile on his face, just like his mom, and would kid around with us just like his dad. I was very sad to hear of Buz passing, but I know he is smiling down on us from above.

Prayers of strength and love to the Bosley Family during this difficult time.
