“ *Thinking of you Bonnie and sending hugs and prayers to you and your family. I was so sad to hear of my friend Ed's passing. As you know I met and got to know Ed through the years while working at McLaren. He would always come into the office and greet me with the kindest words and even a hug. He made my days (even the bad ones) so much better when he walked through that door! You both will always have a place in my heart. ❤️ Sally*
