“ *Karen and family,
I cannot remember a time that I met up with Ed that he didn't have a smile on his face. Always uplifting to be around him, especially if you wanted to talk baseball. I know too, that he was always one of Peggy's favorite people and I am sure that they shared a hug and a few laughs when they met up again. Sorry, we will not be able to attend the service, but know that our thoughts and prayers are with you.*

Oh Yes Peggy was one of his "favorite Girls"!!! from his harem. I can't think about the Detroit Tiger's without thoughts of my dad and when he took me to Tiger Stadium for the first time. Thank you to you to and Terry for your thoughts and prayers.
