“ Dear Liddle family you have my deepest regrets for the lost of your dear loved one. No one can understand what you are going through right now but you, yourselves. However we can empathize with your pain, because we too have lost loved ones in death. The only thing that I can do is to offer you some comforting words found in Gods Word the Bible. One day there will be no more "sickness, pain, and death" the former things will have passed away. (Isaiah 33:24; Revelation 21:3,4) If you would like to know more go to jw.org.com official website
