“ *"Uncle" Elwyn was a special uncle. My first memories of him are his favorite TV show that came on during mid day dinner. He'd come home to grandma's house from the lumber yard and watch Soupy Sales. He was dad's younger brother being 9 years younger, so that is why he was still living with his parents. I helped Grandma get great ganddad's old house ready to move into when him and Pat got married.*

Jeff, Vickie, Amy, Heidi and Pat, I'm sorry for your loss, he will be missed.

Love, Marlene

“ *May God grant you the serenity to accept the things you cannot change and provide you strength and courage to see you through life's changing events. Our sympathies to Jeff & Trina, Vickie, Amy and Heidi and all the family and friends of Elwyn. Just as the space is empty at the lumber yard in downtown Davisburg (every time I drive by I think of Elwyn and Pat) and so will our hearts feel this emptiness.*

“ *I have a lifetime of memories of Elwyn! I was just a little girl when Pat & Elwyn married. When we spent the night with them, we thought it was so cool that Elwyn always had to have dessert after lunch 😊 Then off he'd go down the hill back to work. He did so much for his community-how many fires did he help put out and how many lives did he save? Fishing trips!!! The summer place in West Branch!!! What a great life-I'll miss this guy...*
