“ Warmhearted comes to mind. A smile was never far from this man's face. If he liked you, you knew it. I had the pleasure of getting to know Emile later in his life at my workplace. Let me just say, we grow sadly accustomed to saying farewell to residents often. (especially as of late.) The loss of Emile Bair sent a wave of sorrow through our building like a tsunami. He was truly a fine human being and now the most spectacular of angels. Thank you Emile! May God bless you and your loved ones. -Bill S.

“ Katherine, my deepest heartfelt condolences go out to you on Emile’s passing. My experience with Emile was through Constable of Rose Township and also the Rose Equine Adventurers. He was a great people person and good at resolving conflict. I always enjoyed talking to him and loved seeing you two together at the Holly Cruise...and sometimes even at an equine clinic. My heart goes out to you and I know he will be sadly missed by you, his family, this community and all who knew him. I love you and am praying for you.

“Emril” was our neighbor when my brother Ray and I were kids and we played space rangers, cowboys, hide and seek and many other games together. We made a spaceship out of a chicken coop and used my moms old wringer from a defunct washing machine as our machine gun with tinker toys fastened to a board as our control center.

In high school we were the last three members of our Archery club and often went down the street to the clubhouse alone to shoot. Once, we 3 were still there after dark when we decided we better head for home. The clubhouse was near the railroad tracks and as we left we heard a cough coming from the outhouse. We had heard of bums riding the trains so with arrows drawn we inched past the toilet and ran for home.

I'm glad we stayed friends and he asked me to be his best man at his and Kath's wedding. I wish i could have visited him this past year, but was comforted by the talks we had about God at the Senior Center. I will miss my friend but see him again some day I am sure.

“Emile Bair was a loving caring man who would stop and help anyone any time. A friend to all. I remember us telling him "stop by any time for a cup of coffee." He showed up one day randomly and took us up on the hospitable offer. I'm sure we all talked over that one cup of coffee and a few others that day! . Now I'm convinced that he is Sipping coffee with Jesus !❤️ Dawn Sidebottom.
