“ Brian and family. So sorry to hear about your father passing. He was a lot of fun and I had a great time when he would attend our ball games. My thoughts and prayers are with you all at this time.

“ Our next door neighbors were the Brandts growing up. That was pretty handy as they came with their our baseball or football team. Those were some great years. As a parent now I have no idea how they kept that crew in check AND produced the nicest bunch of kids. I have always had great respect for Mr. Brandt. My dad (87) says he was just a kid. lol My sympathies go out to the family. Remember his legacy lives on. You are in my prayers. Julie Plummer Taylor Campbell
