“ I wish to send my regrets for your loss. In the difficult days ahead I hope you will be able to draw comfort from the fact that not only does our creator understands the pain we suffer, but also that he will soon end all pain and anxiety. At Revelation 21:4 God promises to “wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry, nor pain be any more. The former things have passed away.” Until that time, I pray your memories of the past and your confidence in the future will give you the strength and joy to endure.

“ I'm so sorry about your loss, Barb & family. I didn't know Gene very well even living next door. I remember one time Gene stopped me as we were passing on Robert's Dr., to ask if I still had gas cap's on my vehicle's, seems his had been stolen. Always a pleasant friendly guy, loved to talk fishing.

“ *I'll always remember Eugene as the kindest and sometimes goofy guy. He always had a great sense of humor, especially on the days we had band practice!!!! You are in the Lord's arms now.*
