“ my dear friend and sister in law if only I could tell you what you really meant to me" you were always fun, and our laughter always brought me to tears for the many times I needed my mom, but you were always there, and what a strong woman you were to others just by being there' I CAN NO LONGER SEE YOU WITH MY EYES, TOUCH YOU WITH MY HANDS BUT I WILL feel you in my heart forever <3

“ *Grandma, thank you for being my rock to lift me up when my spirits were low. Thank you for introducing me to our savior and not only loving me but for also loving my soul. Thank you for never judging me and forgiving me even for the many times ive disappointed you. Thank you for watching your great grand daughter for me everyday. You were my Angel here on earth and helped guide me through so much. You have left your mark with the whole family, our hearts were filled with your love. You were an amazing person and i know your soul made a beautiful angel. Please continue to watch over me and the fam and tell us to "straighten up" when we get off our path. I love you so much and you will be missed everyday until we meet again 💋. If you could put in a good word with Jesus i think the wifi went out and my prayers might be blocked.*

“ *Eunice was my great grandmother. She was one of the most kind, respectful, beautiful lady I have ever known. She did not have a mean bone in her body and she loved her family and her dogs very much. She would always tell me I was a pretty girl and to not let anyone tell me any different. Some of my fondest memories include shopping at our favorite store goodwill, garage sales, or going down to get some lunch, usually chicken wings which were her favorite. Shed go to church when she was able and was always so happy to be there and sing one of her favorites Ill fly away. She helped develop my love for dolls, she had so many. I still have the ones she gave me many years ago and they mean more to me now than ever. She was beautiful inside and out and I will miss her so much. I love you Mammaw, Your home now. Rest in peace*❤️
