“ I am beyond sad to hear of “Aunt” Evie’s passing. I have known her practically my whole life. She was my mom’s best friend. My brother Marty was best friends with Brian, and I was best of friends with Susan! When my mother became too ill with cancer and was unable bowl, I took her place on Evie’s team. Prior to, I bowled in tournaments the ladies. We had the best time together! We used to go see her at the Renaissance Festival where she worked for many years! We would decorate countless Christmas cookies at her house, and laugh the whole time! The memories go on and on. I will miss her delicious chocolate chip cookies and her Texas sheet cakes!

To the family, I am so sorry for your loss! She was the strongest, hardest working, crazy, silly, funny, generous person I have ever had the privilege of knowing! I will never forget her or the wonderful times we had together! I loved her very much! Love, Karen (Krueger) Shutes

“ My first recollection of Mrs.Gudith was that my mom, Joyce Lake, was always saying what a great bowler and boisterous Mrs.Gudith was.As I got older I saw her being such a supporter of Mike and his athleticism when we were in high school.Later on in life I was reacquainted with Mrs.Gudith through my friend Jeff at the Hallmark store in Holly. I enjoyed her”BLUE” sense of humor and the AMAZING cakes,pies,and other goodies she created. I will truly savor that last taste of HAWAIIAN WEDDING CAKE she made for Jeff at the beginning of October for his birthday(never thinking it would be my last).Mrs.Gudith,you hated when I called you that, but it always was out of respect.I will always think of you as Mrs.Gudith.REST IN PEACE dear dear lady..And YES,you were one of the last HOLLY DIVAS.Remember”DING DONG AVON CALLING”? I sure do.That was Mrs. Gudith at your door!!! I love you Evie!!!

“ Granddaughter of her sister-in-law Anne (Gudith) Davis-

I always remember Aunt Evie as the Avon lady. Every time we were at some family function, we'd come home with a little packet of shower gel and lotion and everything. I remember once when we were kids, my cousin came running into the room calling out, "Lipstick! Get your lipstick!" (which was of course chapstick, but we were little girls and it didn't matter). I didn't know Aunt Evie well, but it was really wonderful having her at my wedding shower in 2012 because she was part of our family and it was just really wonderful having all the women together.

“ *Evie has been a fixture in my families life since I was a child. Both my parents went to Brandon School with Evie. She was a loving and kind woman. She made both my daughters graduation cakes. Evie and my Mom spent countless hours planning their Class Reunions. Their friendship knew no bounds. I will keep the good memories close to my heart. Good bye sweet lady, you will be missed.*
