“ We first met Evie at Linden Elementary working with PALS. She was always laughing that infectious laugh of hers! We spent many years in PALS together, making things better for our kids, we loved it! The last time we saw Evie was at Uncle Rays in Fenton. She rode in on the back of a motorcycle with Bill, it was so nice to see them together again and she was so happy, laughing and talking up a storm! She will be missed by so many people who's lives she touched. We loved you Evie and you will be remembered by so many. With sincere sympathy, Vicki and Ted Tharp

“ I am so saddened to hear of Evie's passing. I first met her in Mrs. Abbott's Spanish class. One of the sweetest, kindest souls I've ever had the pleasure of knowing. I'm glad I got to see her at one of our recent class reunions. May your hearts be comforted by warm memories.

“ Our sincere condolences to the Jensen family. Evie's passing leaves an unfillable void in the lives of her family and friends. She was such a great friend and "sister" to us over the nearly 50 years we knew her. It is difficult to put into words the fun, laughter and happy times we enjoyed when together at our "family" gatherings. She was a truly wonderful woman who dearly loved her family and friends. The Lord is with her. She will always be in our hearts. - Nathan and Pat Haskell

“ I sit here in chair trying to remember my first memory of my cousin Evie. So many family visits to Aunt Naomi and Uncle Marvin’s house and then to hers. I can say without a doubt that every time was wonderful. Like most of the Swanson’s Evie was a great story teller. I remember many times listening as she would tell a story knowing I would be in tears from laughing uncontrollably. You will be greatly missed my Cousin, but I am comforted as I hope you’re family is, knowing that Heaven is now laughing chaotically at some story your telling. Tell your Mom, Dad, and Brother Hello!
