

Francis A. Tangney

November 19, 1930 - November 3, 2024

Francis Tangney passed away November 3rd at the age of 93, just 16 days short of his 94th birthday. He died peacefully at home with family. He is preceded by his son Jamie, daughter Teresa. He is the last of eight siblings; Ken, Laverne, Ronald, Gordon, Margaret Jane, Charles, Anastasia, Roger. He had congestive heart failure for several years though recently weakened considerably. Frank was born in Detroit, grew up in Berkley and met his then wife, Lois, whom were married 25 years. He lived his final years with daughter Cathy (Rick), who took care of him in their home. A proud veteran of the US Army, served 1951-1955 in Berlin, Germany. Frank loved his family, his Irish Catholic heritage, and was an avid follower of the Detroit Red Wings. Enjoyed quality time at his peaceful cabin up north on the Muskegon River, that he worked hard on from the foundation up in a small town of Hersey. He spent many years with family at the Woodward Cruise, from his brothers home a block off Woodward. He knew the make and model of every classic car that drove by. His wit and Irish humor brought laughter to all who knew him.

Frank will be greatly missed and the phrase 'isn't that somethin' will live on through his kids. He is survived by his daughter Cathy (Rick), daughter Cheryl and son Michael (Kristin). Many grandkids, great-grandkids, nieces and nephews.

Frank began his next journey surrounded by love and prayer, mustering up

the strength to make the sign of The Cross in those final hours. The road rose up to meet him.

May the road rise to meet you,

May the wind be always at your back,

May the sun shine warm upon your face..... "till we meet again", Dad

May God hold you in the palm of his hand.
