“ Gale was such an Amazing woman. I feel blessed to have had her in my life for so many years. We shared countless fun times together. I worked with her and I would look forward to go into work to see Gale. Even after she retired, her visits at Tri County were a treat for me. So many good times we have shared together. I miss her terribly. She is in my heart and always will be!

“ *I am so sorry for my dear friend Starla. I understand that words can not help your pain. Nothing I can say will help your pain right now. Just please know that you have many memories that can never be forgotten. She will be missed. I know how it feels to lose someone so close to you. All my love to you and your family. My prayers are sent.*
