“ *What had a beautiful Wedding we had and Garold made a great best man. I think often of the fun times to the cabin, Steaks cooked on open fire and homemade ice Cream with whole bottle of maraschino cherries added at the end of batch. If you needed something fixed he always had a set of pliers in his pocket, you could depend on that any day or night of the week. May God watch over him on the other side and see my Larry when he gets there. Friends Forever. Love, Suzanne Cool*
