“ I worked with George at Beaver for 20-something years. He was the 1st person there who really befriended me and kept this then-19 year old kid out of trouble. George was a man of rare courage, honor and integrity. No man loved his country or family more. George was a genuine hero to his country, the Corps, to me and most importantly, his family. All of us are richer for having known him. My deepest sympathy for Betty and all of the Butterworth Clan.

“ George proudly served in the United States Marines in Vietnam in the 1968-1969 time frame. I met him there, we were in the same infantry rifle squad where he was a key team member & later a leader. He looked me up & contacted me later & with a few others we started a Vietnam veterans reunion group that continues to this day. In Vietnam we became "brothers" & back home we remained "brothers". Semper Fi Marine, rest in peace brother.
