“ Grandma Marshall I was blessed to have you come in my life and treat me just like family. God works such miracles❤️ I had no family and the Edmundson's took me in and made me one of theirs. Sharing one of their most important people they loved so dearly, you. One of my biggest blessings in my life.❤️❤️ You touched my heart in so many ways. I will never forget your beautiful smile. You always had a funny comment, a hug or story to share. Our holiday dinners will no longer be the same without you there. You will be missed, but you left all of us with such wonderful memories. No one will love my desserts as much as you❤️ But always know you're in my heart ❤️. I will dearly miss you. God bless you. Rest in peace Grandma with God and your loved ones in heaven. With all my love , Teresa Medich

“ I will always remember her in her kitchen; canning cherries and laughing at how difficult it was to get those (expletive) pits out, creating masterpieces with her Pressure Cooker and talking about the three plates hanging above the door that talked about finding peace in your heart, your country and your world. It was very inspirational.

I loved spending holidays together, especially at Grandma's farm. Thank you Aunt Gerry for those delicious Mincemeat squares.

She was a great friend/sister/aunt to my parents and our family. The Marshall family were my first friends.

“ Aunt Gerry was very kind and I never remember her saying a cross word. She was very talented with a variety of crafts passing on that talent to her daughters. Aunt Gerry was always interested in what I was doing in my life. I always felt she was supportive and sincere. I will never forget the beautiful skating outfits she made for all of us cousins. I being the youngest felt like a princess. I truly treasure my memories of my Aunt.
