“ Gerry was my neighbor in Dunedin, and we kept in touch through Facebook. We shared a love for libraries as I volunteered at the Bloomfield Township Library in Michigan. She was a lovely lady.

“ Gerry always seemed to get me in trouble with my Mom lol. Her quick thinking and remarks made my sides hurt from laughing. A great sister in law - my parents loved her from first moment she came into our family . We all did. God has another angel in heaven . Our hearts hurt for her beautiful family.

“ So many fond memories! The trip to Shipshwana, pizza and Holly Donuts for lunch, the jar with names of restaurants we would go to next (but never did), making gingersnap cookies or sitting on the porch at Shirley's. Fond memories indeed. You will be missed dear friend. Marie and Pat

Such fun memories of Gerry. We became acquainted in Dunedin when our condos were in Harbor Point and have kept in touch through the years. She was a joy to be around!
Prayers to the family during this sad time.
