“ My Name is Andrew McDermott our family lived down the road from the forget's. Jerry as he went by for us kids, was the greatest, he took my brother Patrick and myself with his son Claude to go slot car racing many many times. Jerry and my Dad were the same age but Mr. Forget seemed to be more in-tune with the lingo at the time 1965-1967. Us kids all rode the school bus together while attending In Ortonville. I express our family condolences to The Forget Family. Deniese Claude and Jackie, your dad is a great man and I am thank full to have met him. You were all great neighbors even though you lived about 2 miles away back then it seemed so close. Mrs. Forget our deepest sympathy goes out to you. I just heard about your loss only today. God Bless you and Your Family.

“ Dear Forget family you have my deepest sympathy for the lost of your dear loved one. Although I am not personally acquainted with the family I still wanted to share a comforting thought with the family. One day soon God will rid mankind of death, pain, mourning, and outcry these things will soon have passed. “ I am so very sorry for your loss. I work at the Brandon Twp Public Library. It was always such a joy to have Mr. Forget come in to see us. He always had a joke and a kind word. I enjoyed looking up pictures of pipe organs for him, and printing them out. I am originally from Indiana, and I told him that once. He always remembered that and mentioned it when he would come in. What a kind and generous man he was. May God help you and bless you through this difficult time.
