

Gerard "Butch" Murphy

July 14, 1954 - April 8, 2024

On April 8, 2024 the world suddenly lost a little of its sense of humor, and the heavens received another star. Butch, as he was affectionately known to everyone, was a loyal and generous husband, father, and friend. As a young man he served in the United States Air-Force, which inspired a lasting pride in service to his country and support of various Veterans' causes. Butch loved the great outdoors, music, cooking, eating adventures, and reading. He had a life-long passion for Michigan sports, particularly Tiger Baseball (it's a family affair) and could quote any stat you could imagine. Stemming from his fondness for nature, he also had a proclivity for hunting and fishing. Butch was the first one to crack a joke and had a natural penchant for making people laugh, even through tears, a talent that is going to be especially missed by his wife Charlotte "Punk" Murphy and only daughter Margaret Murphy ("Two against one, so that's the way it's going to be"). He will be deeply missed by those he leaves behind, Chris Blanchard, Margaret's partner, a brother, Dr. Timothy, (Jenny) Murphy, and two sisters, Maureen (Michael) Boyd, and Suzanne (Tad) Taggart; and least we forget his four-legged buddy, Deuce. He was preceded in death by his mother, Sally Meitz, and father, Gerard J Murphy and also by his sister, Cynthia (Mark) Welch, and brother, Kevin Murphy. Remember to kiss the ones you love. A graveside service with military honors will be held on July 18, 2024 at 1:30PM at Great Lakes National Cemetery. www.dryerfuneralhomeholly.com

“ I worked with Murphy for about 30 years. He retired working for me. We used to sit every morning together before the shift and talk about the "old times" at work and people we lost along the way. He was one of the funniest people I've ever met, and it breaks my heart that he is gone this soon. He will be sorely missed. Please accept my condolences, he was a great man!
