To My Dear Auntie Gertie, You taught me many things and always let me share Sugarfoot with you! You were always ready for a laugh and I enjoyed all the time I spent with you. I will miss you but I will always remember all the fun we shared. May God bless your soul. I hope you will find my Mother and be together. All my love and affection forever, Susie

“ *To Gretchen and Family,*

We are sending our love and sympathy to you.

I have many fond memories of our Auntie Gertie, my Godmother. One that stands out is while on one of our family camping trips, Auntie Gertie made french fries, hamburgers and salad with french salad dressing. We were so hungry from a long day in the out doors that we we raved and raved about her cooking. She giggled, laughed and really enjoyed all the fuss we made about the meal- especially the french dressing! We thought that was the height of gourmet cooking..salad dressing from France!

*Lots of Love,
Robbie and Steve*

“ To Gretchen and Family: I had the pleasure to meet your Mother at her home in Hillsboro Beach. She was a warm and gracious hostess. She was so excited to show me all her sea glass. My sincere sympathy to you all. Sandy Schuster

“ To Gretchen and Family: My most sincere sympathy in the loss of your Mother, and Grandmother. I would like to share with you a fond memory that comes to mind it being this time of year. And that is the time she came to visit Florence and I and the weather was very snowy and the driveway filled with snow. Gertie threw on her winter coat and came out and shoveled my car out of a snow bank. We had a lot of fun with her over the years. . She will be missed. Love you a lot, Uncle Bob
