“ My sister Gloria was always looking after everyone. She always put others before herself. Her Children, Karen, Sandy, Jeff and Lori were her pride and joy. Then, she became a Grandmother & Great Grandmother and a blessing to all of them. Her sisters, Peggy, Judy and brothers Norman and myself, Gary are so very blessed to have had her in our lives. We know she is in HEAVEN giving Norm and Peggy all our Love and they are awaiting our arrival one day. Those we love don't go away, They walk beside us every day. Unseen, unheard but always near. So loved so missed, so very dear to our heart.  
Love you so very much...."Take care of your precious self" and we will be there with you one day.  
Love always, Gary & Sandy

“ Gloria was a saint! She tirelessly cared for my Father that was declining for more than 10 years. She was always so kind on the phone commonly saying "You take care of your precious self". So glad she had a long life and she blessed so many in all those years. I only hope she learns how to receive well in heaven as she is lavished upon by Christ and His followers. She will definitely be missed, especially by her family that survives her. I was privileged to know her as my step Mom. See you soon Gloria! Enjoy your mansion. I would love to have one of your lemon meringue pies when I visit.
