“ *Aunt Goldie, we have been through so much together the past seven plus years! I always enjoyed all our lunch/dinner dates and looked forward to all your stories. Wow. I'm going to miss you so very much. Every where we went, everyone loved you. I know you are with Jesus now and Uncle Carlie, the love of your life. You always witnessed for the Lord. It's not going to be the same without you but I know you are in such a better place. So sad to say goodbye but know I will see you and others someday!! So goodbye for now but know how much you were loved.*

Aunt Goldie has been a special lady in my life and I have many memories of my times with her. I love the "selfie" we took (even though I am not poised and perfect). She was trying to figure out how she could see herself in my phone. Her heart and mind was always on spiritual things and she loved the Lord. She had a tender heart for people, especially those that were suffering. I know I will see her again and look forward to that glorious reunion in Heaven with her!
