“ *It's been a very long time since we've seen your father. He was a friend of our dad's back when they worked at General Motors , plant protection. All seven of us kids loved your dad and had the utmost respect for him. He always had a smile and an encouraging word. Bless your hearts and know that we're thinking of your family at this difficult time. Sincerely, Kathy Hemming Roberts, Children of Dan and Loretta Hemming*
