“ Just discovered this obituary by searching for Jack Alpeters. Wondering if Jack Alpeters lived at one time in Holly. If he did, my dad, Jesse Stone and Jack were friends in the 1950's. I'm quite sure that Jack ran a business that focused on cleaning beach frontage and owned a DUC that I rode in a few times. Would love to know if your Jack might've been the same person. Have such great memories of all of that! An email to artintroy@gmail.com would be an awesome gift to me.

“ I am so sorry to learn of Harry's passing. He was my boss for 13 years @ the Shelby Twp. Bldg. Dept. I enjoyed working w/Harry and I have many good memories of my career in that department. I wish he could have enjoyed a long retirement. RIP.

Harry will be missed. He had a great (and dry) sense of humor. I always enjoyed his company. Richard Cronk
