

Heather Lynn Wood

July 24, 1985 - April 7, 2017

On April 7th, 2017, we lost our beloved daughter, sister, granddaughter and friend Heather Lynn Wood. As a true believer in Jesus Christ, we take solace in the fact she is now in a better place, but it doesn't make the grieving process for those left behind any easier. Heather was a kind and gentle soul who by the grace of God was able to celebrate the joy of her loved ones accomplishments and also be a loving shoulder to cry on, even in her darkest hours, which is a truly rare characteristic to find in someone. Heather had an infectious smile which could light up a room and a laugh that almost demanded you laugh along with her. Her ability to listen to others and understand was immeasurable. As with all tragic endings, there was so much left unsaid. But Heather, if you can hear us now, we love you, miss you and would give anything to hug you one more time and pray for time to stand still. You deserved so much more than the hand you were dealt in your short lifetime. Not a day will go by where we don't feel blessed to have been a part of your life. Until we meet again, our hearts are broken. Heather is survived by her mother Cindy Coleman, four sons Owen Biesel, Preston Coleman, Landon Coleman, Gavin Wood, sister Misty Veatch and grandparents Wallace and Phyllis Coleman. Funeral services will be held at 2:00 PM Thurs. April 13, 2017 at the Dryer Funeral Home, Holly. Burial will be in Lakeside Cemetery, Holly. Visitation will be from 2-5 and 7-9 PM Wed. www.dryerfuneralhomeholly.com

I as a mother just want to post this to you sweetheart, Heather. I am so sorry. Hope you rest in Gods arms and have finally found the peace that you so needed and deserved.

This was such a tragic loss for 4 young children, her family, her friends, and everyone else that loved this precious girl.

As much as my daughter and I tried to help her, her struggles through this life took its toll. My sincere condolences go out to her family, parents , and friends. I got to know Heather when my daughter and her husband took her into their home , when she was expecting Gavin. In fact Nikki, myself , and Heather were thinking of names for that precious child she was carrying. My grandsons name is Gavin, Heather liked it so much, that is the name she chose. I helped her with whatever I could, as did my daughter .

I know she is finally at peace. We all miss her. She had such a hard life, so many struggles.

I'm so sorry sweetheart , may you Rest In Peace, sweet child of God. No more pain, disappointments, and daily struggles. We will miss you . God bless you precious heart. ❤️

P.S. to Heathers father, please if possible, get in touch with me? I am Nicole's mother, thank you.

“ *Heather was the first friend I ever made when I moved to Holly at age 9. From day one, we just clicked. Heather always had an ability to bring out the more fun side of my personality as she did many people. She was a beautiful, kind-hearted soul that would spend her last dollars to buy you a card when you were hurting. She always accepted you, no matter what. She stuck up for kids that were bullied in high school and though small, she was nobody to mess with. I will always remember Heather as one strong woman with a big heart. I love you Heather and your family.*
