“ *Grandpa herb taught me a lot as a kid. I learned about CB radios, Harleys, trucks, campers, computers... We camped a lot! Miss those days!! Grandpa herb was a walking encyclopedia of knowledge, and one of the warmest most welcoming people you will ever know. I feel lucky to have been able to create these memories with Grandpa Herb. You will be missed!*

“ *To all the family, I am sending my deepest condolences. I have known Herb for over 20 years, Joy and I have been more than best friends. We have been family. Which also extended to Herbs family also. Herb and Pat have always made me feel like another daughter to them, along with my kids and their kids, as part of their family. He will always be remembered as a man with a big heart and a loving part of our family. Herb will truly be missed. All my love and sympathy to the family.*
