

Hollie 'Mack' Spear Jr.

June 11, 1962 - January 29, 2024

We are sad to announce the passing of an incredible person who has touched the lives of many. Hollie E Spear Jr. passed away without warning on Monday January 29, 2024. His passing is an incredible loss not just for me, his wife of 35 years but also his family and children, grandchildren and other family and friends who have had the pleasure of knowing him and being a part of this incredibly generous person who enriched the lives of so many. Hollie passed leaving his wife Jennifer of 35 years and his beautiful family. His beloved mother, Sharon Spear, preceded in death by his beloved father Holly Spear Sr and many other treasured family. His sons, Addison (ne Grace), Jordan (ne Lizzy), Nick (ne Taleah), Tyler (ne Jennifer), Dewayne (ne Jessica), Chris (ne Melissa) and daughter Kassi. Sisters Shari and Spouse Chuck, nieces Kyle and Maeve, Sister Tina and children Nick, Bobbie Jo and Great Niece Lydia. Nieces Stephanie, Leonard and family all are grieving his untimely loss. His grandchildren numbered 14 – Including Kahli, Zander, Micheal, Dalton, Dane, Ayva, Emma. Rudy, Elliott, Louis, Blakely, Holden, Jamie and Violet and so many other kids who passed through is life including his exchange family, Tom, Simone, Caio and Finn. Hollie medically retired from the Oakland County Sheriff's Office in 2011 after 30 years of dedicated service. He rescued many, many animals and children in his 30 years of service and remained an advocate of all children and animals for all his 61 years. There was nothing Hollie liked more than spending time with his family, going off road with his jeep and supporting his boys in law enforcement. He also found a passion in

rescuing alligators and other wildlife while living in South Florida during the past 5 winters. Please join us for his memorial service on Sunday, February 4, 2024 at Dryers Funeral home in Holly at 12 pm to honor his life. We welcome all of his friends to share stories and memories of his incredible years from 4-5pm. A Celebration of Life will occur at 5 – 8 pm at the Holly Moose Lodge where he was a proud member for many years. In lieu of flowers you can bring in an unwrapped toy for a child or pet or the Alzheimer's Association.

“ *Jen*, and family, that is how Hollie as referred to you Jen* when we saw him and when he talked about you. Deb and are so truly sorry for the loss of your husband, dad, father-in-law and Grandfather. He will truly be missed by all of you. He was a great man and a great friend to my brother Joe. Hollie always had a kind loving words to say about you and your family. When he was coming up north thru Grayling he alway made it a point to stop in the plant and say hi to all of us. Sometimes he was by himself, some times with Addison, and frequently with extended family of yours that you and Hollie raised to be reflect your values and kindness. We surely valued his visits, kindness, sense of humor, honesty and love of his family! Much love and prayers to all of you. Although he is gone he will watch over you from afar and will always be in your hearts. Much love to all of you and many prayers. sincerely, Jim and Debbie Tenbusch*

“ My brother once wrote "My favorite place to be would have to be a little place between East tawas and Oscoda Michigan, called Home. This place is 120 miles from Flint or two and a half hours. This place I call home is special for a couple of reasons, the first and most important is because that is where my family is. My father, mother, and two younger sisters all are there. Also all of my friends are there. I graduated from Oscoda High School, so consequently all of my friends are there. The other reason would be the beauty of the area. There are things you can see, smell, and hear, you can't see, smell or hear down here. Up there, you can see animals such as deer, wolves, Fox, squirrels, raccoon, beaver, and occasional bobcat or bear and other things. The sound of the fresh spring rain through the trees, also, we are just a couple of miles from the very beautiful AuSable River and Lumbermen's Monument. Or if you take a short drive just a couple of miles in the other direction, you have Lake Huron. All these are simple reasons why I call this home. The main reason is because the people I love the most are there, and my fondest memories are there. But nothing can describe the love and warmth that can be felt there. Home." He gave me the rough draft, and turned the final draft in. All these years, and I still have this paper. I kept it, it was beautiful, well put, and from my brother. I have known my brother, all of my life. I have known him as good, bad, kind, cruel, single, wild, married, brother, father, grandfather, police officer, hard worker, lazy, party animal, confidant, designated driver, best friend, enemy, funny guy, deep thinker, bipolar, depressed, happy, religious. I've known him in Florida, I've known him in Michigan. I will miss him for the rest of my life. Every part of him. Because if there's one thing I know, life won't be the same without him. I've lost my father and my brother within 10 months of each other, and it is Heartbreaking. My father taught me to push forward through hard times, and my brother told me to put one foot in front of the other, and we always have family and friends to catch us when we fall....and, he's right!
