“ *Dawn, I want to let you know that I am thinking of you as Christmas arrives and your wonderful Mother has gone to be with the Lord. I know there is a void that cannot be filled now that your parents are both gone, and one that we "only children" can really understand in our special circumstance. I am so glad that my parents and yours were so close throughout their lives, and my God bless you and your family now and in the New Year as time marches on. Loving thoughts, Patti Wiles-Smith*

“ Grandma,
No matter than we didn't share DNA, you never made me feel like anything less than family. There was no step-anything about your love. For over 25 years you were my grandma, plain and simple. No asterisk, no qualifiers. When it came to children and critters you loved us all with your whole heart and we loved you back. Tonight I know you are with grandpa and at peace. Thank you for blessing my life by being in it. ~ Trish
