“Dad, thank you for all the life lessons you shared with me. You taught me what it meant to be kind, caring, and forgiving. You are one of the nicest people I've ever known. Can't remember you saying a harsh word about anyone before all the stressful situations you encountered in your recent years. Thank you for letting me be a tom-boy and fulfilling all my desires to ride motorcycles, dirt bikes, and mini bikes. I wish we had more time to live life and learn new things about each other and strengthen the bond of father and daughter, but I know you are in a peaceful place, awaiting the paradise you have been promised. Tell Mom I love her and miss her everyday, as I will miss you everyday.
