“ *I first met Jack and the Cook family 52 years ago as they were my next door neighbors growing up on Genella st in Waterford. Jack was a kind caring thoughtful neighbor who as I grew up became a dear friend and later was kind and considerate enough to drive me to my medical appointments at the mind clinic. I will miss Jack and am thankful he was a part of my life.*

My deepest sympathies to the Cook Family.

Sincerely,

Jeff Murphy

“ *I didn't know him well, but he had an amazing amount of love for his family and energy for his grandchildren. I remember he and Colleen helping Tracy to move into her dorm when they were in their 80s! Love motivates! Praying for you all. He was greatly loved*

“ Our heart's are heavy learning of Jack's passing. He was always so sweet to us and such a warm soul to be around. As a family friends looking in, it appeared his entire world revolved around his family and it was a beautiful world for Jack. He loved his wife, his children and grand children deeply. Anyone who was fortunate enough to have known him will certainly miss him. Our deepest condolences to the entire Cook family. You are in our prayers, Lori and Don
