“ *So sorry to hear of your dad's passing....it has been so many years since I have seen all of you yet the memories seem like yesterday!! Your dad was always so helpful to mamaw when she needed a hand and our families were close....Now all of us are grown...May you find peace and strength to get you through this time...And lean on each other...I know all too well the pain of losing a parent....I wish I could say it gets easier...But you have each other....your family and most of all God to get you through it...love and prayers to all of you....Shelly*
