

Jackuline Mary Odykirk

August 13, 1940 - April 26, 2022

Jackuline Mary Odykirk, age 81, of Fenton, was surrounded by her loving family when she left the Earth to spend eternity with Jesus on April 26, 2022. She was born August 13, 1940 in Buffalo, New York, and was lovingly raised by her mother, Mary Copeman on a farm in Ortonville, Michigan. She spent most of her years in Holly where she and her husband, Barry (who preceded her in death) were devout members of the First Baptist Church. They shared their love of Jesus worshipping and serving the Lord and bringing that love to those they knew so that we all would come to know and love Jesus as they themselves did. She cherished reading her Bible daily, doing all things through Christ like working with the kids in the Fuel program at church. She loved spending time with her grandchildren whether it was going to Disney or teaching them the fine art of making pie crust. Her tranquil moments were spent at her condo in Fenton, where she loved to plant flowers, watch the birds and deer amongst the pine trees and spend holidays with her family. Jackie is a child of God, a loving servant whose faith was strong to the very end. She believed that doing things for Christ would last for eternity and would reflect her life's work and values. She is survived by daughters Jeanne (Tom) Cairns, Rhonda (David) Kowalski; grandchildren Crystal, Tiffany, Nastassja, Cameron, and many grand dogs and grand kitties, that brought her great joy as well. A celebration of life will be held at a later date.

“ Such and loving, dear woman of God. She would send us cards or bits of music to share. Always such a joy in her heart and a smile on her face, and the love of Jesus shining through her life. We are just so blessed to know her. Our love to all of your family and our prayers in the coming days.
