“ *Jim is a hero of mine. To be so amazingly gifted and yet so genuinely humble is evidence of the Holy Spirit in him. Jim leaves a huge legacy. I can't wait to see how Heather and John live out all that Jim has invested in them. Pam and I are praying for Kathy, Heather, John and all of Jim's family and friends.*

“ *We remember Jim with great respect and love. His gifts to the Camp Lake Louise family are phenomenal. He is a great example of a man who lives his life in a way which reflects his deep and genuine faith. We are praying for his family and all of us who are his friends. I will not be able to come to his service because I will be conducting a service for another dear friend the same day. We love all of you very much!*

“Wow! I'm shocked and grieved to hear that Jim has passed away, though I know his exit is an entrance at the same time. His vibrant voice was always a blessing and tireless service to Lake Louise is still evident - his fingerprint is all over the camp. Our prayers and sadness go to Kathy and I know his memorial service will honor Jim - but will also lift up Christ! - Dave McMahon [First Baptist of Cadillac]

“My deepest sympathies to Kathleen, Heather and John. I'm so grateful for the time I had to share with your husband and father, he was truly a great man. His time at Linden Schools will never be forgotten. James was a great friend and most of all a true family man, you guy's meant the world to him. He will never be forgotten, Greg Vadasz.

“Jim was a beautiful blend of strong commitment to the greatest good, loyalty, love, and an ever present (often under the radar) sense of humor. "Clark Bub" was an absolute joy as a fellow tuba player and drum major (of our tight knit high school band). I couldn't thank him enough for being such a wonderful husband to Kathy, dad to Heather and John, uncle to my boys and the Fabulous Baker Girls, and son-in-law to my folks. He was a lifelong friend who "appreciated" all my "short"comings. He was brave enough to endure working in the kitchen with the Soloko Sisters and our mom on holiday food prep and keep returning. Although none of us wanted to see him go this early, we all were blessed to have had Jim in our lives! Thanks, God, for sharing him!

“ Jim - I've known you since 10th grade. I still remember you sitting on the heating grate in the band room. So many memories working at camp. From building the deck on the store; building the barn; almost burning down the camp!! Your singing; ping pong games; ice cream in Boyne city; la seniorita; projects at church; your singing!! Christmas in action; laughing at really stupid things; your singing! You are the real deal Jim. I could always count on you. You are the the friend everyone wanted. You have had such a big influence on my life. Thank you! I will miss you.

“ I cherish my time with Jim & Kathy when we were on staff together. I loved hearing your voice flow from the dining hall as you sang and Kathy played. I fondly recall your sense of humor.

“ Dear Clark Family,

I'm Heather Nyman, a teacher at Linden El. James was a gem. He was always coming to my rescue for big and little projects in my classroom, such as moving shelves and adding screws to the cinder block wall for my photos. He was happy and always willing to help. God got a good one. Please know I am thinking of you and praying for peace and comfort to touch you and yours.
