*Jim has been a Close Friend of Mine for more than 52 years, we went to Airline School and started with Lake Central Airlines on the Same Day. We traveled together in the States and out of the Country. I remember one time when we were in Las Vegas, and we took in the "Don Rickles Show", Don Rickles is known as "The Mighty Oak King" of Wit, and One Liners. Don Rickles came out into the Audience and stopped at our table and began in on Jim, and Jim in a short time Cut Down the Mighty Oak with his Wit and Humor into a Pile of Wood.. Brilliant and Beautiful in a Respectful Way. Well Jim this is One Trip I Can't Be With You,,May God Be With You, and Until We Meet Again.*

“ *So sorry to hear of Jim's passing. He was the one that taught me how to work ops, and as many of us know it was quite challenging to work for "Agony Airlines" in the 60's and 70's. But even in bad times Jim could make you grin and forget for a moment the stresses of the job at hand. Our condolences to Jim's family.
