“ Dear Theresa and family - I am very sad to learn of Jim's passing. I will never forget all your many kindnesses as I began my Catholic journey and having my little conversations with Jim as we talked about the legal field and many that we mutually knew. His is truly a legacy of a life "well-lived". I will keep you all in my prayers during this sad transition. My best love, Beth Ann Junod

“ Mr. Ignatowski was a sweet, kind, gentle and generous man. Not only was he my sister's father-in-law, but he also welcomed me into his home for nearly a year while I was training for my career. I will always be grateful for the contribution he made to who I am. God bless your family in this time of sorrow.

“ I only remember meeting your dad two times - once was at my mom's funeral - Loretta Ste. Marie Foley and the other was at one of the more recent Ste. Marie parties in Brighton. Both times he was a very cordial and welcoming person. Your loss is heart breaking and you will miss him more each day. May the loving memories you have help to soothe the pain. Love and hugs, Kathy and Don Schemers

“ When I was no more than four or five years old Uncle Jim made me a little stool in his basement and painted it green. I'm now 65 years old and I still have that stool. As life happens to us all we see less of family than we should or could, but that little stool made me think about Uncle Jim more than a thousand times and will always. With love and utmost respect.

“ *I will dearly miss my Uncle (friend, neighbor) and his love, smile, jokes, his famous hug, and the butter lambs he made for me every Easter.. I am a better person for knowing this sweet man. All my ❤️.*
