“ To Cousin Irene and family, so sorry for your loss. I had a great time with Jim and Colleen at their lake front home being towed around the lake, tubing and getting knocked off on the sharp turns, It was great to see so much of the family there and celebrating my dads wedding too. Love you guys. ... Debbie Tollefson, Eric and Tara... xoxox

Jim and Colleen moved next door several years ago. I always admired Jim's fight for life even though he struggled with his illness every day. He loved and protected Colleen and their family, and was especially fond of his grandson, He often shoveled my snow, and did other nice things. He was proud of his service to our country. My prayers are with Colleen and her family. Kay Spence
