“ *Growing up across the street from this wonderful family was so much fun. Mom was a Saint and put up with all of us in her yard playing baseball, red rover, tag and organizing talent shows in the back room of the house. Jimmy and John were always full of fun. I loved the pear trees and the first time I came home from college, Mister Taylor came knocking on the our door with a whole bag of their pears for me because he knew how much I loved them. Jimmy was always kind and sweet and very dedicated to his wonderful family. God bless him, I know he is in heaven. Lynette Ranger MacKenzie*

*Thank you so much Lynette:
I have so many precious memories of my childhood with the Rangers. I too liked the pears, but they were a pain when we had to clean them up out of the yard. Jenice*

We were neighbors from way back. My family lived on Sherman Street, years ago. Older siblings knew Jimmie. So Nice to everyone. I remember how he took Tommy to Mac's Drug Store so he could get a soda.
He sure will be missed. Wendy (Plew) Fishback.
