“ Dear Jami,
Its been a while , so I decided to look you up
the other day. How sad I am to find this!! We
were best friends in high school and for some
time after. Many, many, great and often
hilarious times to remember. I will never forget you. My heart goes

“ I'll so sorry for another loss in your family! BUT I will say she was
always a momma bear, catching Lonnie and I sneaking out when
we were kids, watching Ashley like she was her own.... But
ALWAYS having a heart of gold and being there for ANYONE who
needed a friend!!! She was such a wonderful person with a heart
like no other... Her and mom are reunited watching just like they
ALWAYS did.... Fly high sweet angel, but i guarantee she'll haunt
the ones she said she should just cuz she WAS STUBBORN LIKE
THAT ❤️❤️❤️❤️
