“ Some people have a hill to get over. Janet had a mountain to climb. She seemed to do it courageously, somehow smiling along the way. She's reached the top and is surely in God's loving care.

We will miss her.

ME

“ Malibu and Redbull WAS my drink. Janet tried it one time at Walden's and fell in love. She drank it all night that night, then went home and deep cleaned the whole house top to bottom because she couldn't sleep (redbull!) She yelled at me the next day at work for getting her hooked. We laughed and have laughed it about it many times since then. It was "her drink" after that.
